

Contamination declaration for products and components

Return address:

Burkert Switzerland AG | Massimo Perrone | Bösch 71 | 6331 Hünenberg

Further information:

Tel. +41 41 785 66 66 | Fax +41 41 785 66 66 | <https://www.buerkert.ch> | massimo.perrone@burkert.com

The contamination declaration must be filled out, signed and enclosed with the delivery as well as attached to the outside of the packaging. The contamination declaration must be filled in carefully and to the best of one's knowledge and awareness. In the absence of a contamination declaration, it won't be possible to process your case for reasons of occupational safety. We would like to point out that false information in a contamination declaration may result in an obligation to pay damages.
